

Pergament Round LED surface-mounted ceiling luminaire small

Design

C. Meyer, M. Kocks, P. H. Neuhorst

PERGA-RA 310/1900/840 AQ

Round luminaire element comprising an acrylic glass block with transparent superpolished exterior. Underneath painted matt to reduce glare. Luminaire element integrated in an outer steel powder-coated sectional aluminium cylindrical frame. The acrylic block is scratchproof and insensitive to fingerprints, and is connected to a powder-coated metal body by a bayonet and snap fastening. The metal body accommodates the electrical components and electronic ballast. The LED module is formed as a round LED flat board and can be removed for installation or exchange using a key-hole screw connection. Electrical connection of the flat LED board by means of a plug. Luminaire with heat-resistant wiring. Homogenous illumination of the light surface. Suitable for ceiling or wall mounting. Light colours 830 or 840. Also in a dimmable version.

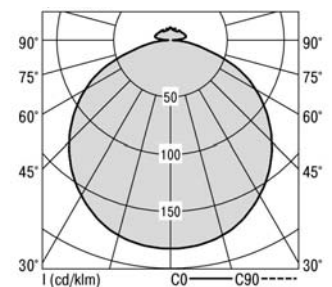

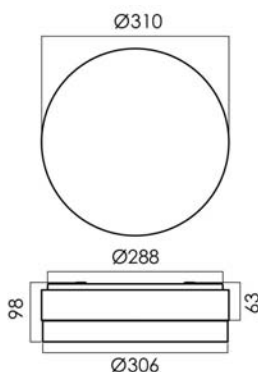

Protection rating IP20, safety class I.

Colour:

Metal body - similar to RAL 9016 white silk matt

Frame - white (WS), silver (SI), black (AQ)
